**THE TASTE OF THE HANSEATIC CITY**

Enjoyment is something we take seriously in our city on the River Weser! Bremen’s cuisine has something to suit every taste, whether it’s regional specialties, international dishes or fine dining. Admittedly, typical Bremen specialties such as Kohl und Pinkel (kale with sausage), Labskaus (meat stew) or Knipp (sausage with groats and meat) sound as if they might take a bit of getting used to. But that doesn’t make them any less tasty. The foundations of Bremen’s traditional cuisine have been influenced by its proximity to the sea, its trading heritage and links to rural life. Whether or not Bremen’s cuisine is on the menu for your group, we’ll be happy to help find something to suit your tastes and put you in touch with our partners.
