[www.rhypark.com](http://www.rhypark.com)

The exceptional charm of the Rhypark lends a certain “je ne sais quoi” to any occasion. Located directly on the river Rhine, it lives up to the highest expectations as an event venue, whether for corporate events, seminars, workshops, general meetings, concerts or shows.

The diverse facilities include the RhySaal, the “roots” restaurant with its spacious terrace, the RhyBlick meeting room and the RhyHafe business centre with three additional rooms, all of which can be used in a variety of different configurations. All events are catered by the in-house “roots” restaurant. Let yourself be spoiled by head chef Pascal Steffen’s team of culinary artists.

The experienced, professional and skilled event management team advises and assists hosts so that their events run as smoothly as possible – whether they’re organizing food and drink or the design and layout of the event location.

### General remarks

The Rhypark is located in the new up-and-coming St. Johann district, in close proximity to the exhibition center. The historic old town is just a 10 minute-walk away along the bank of the Rhine, and is also easily accessible by public transport.
