Welcome

Dear Guests

We thank you for your interest in the Rhypark and would like to recommend ourselves as partners for any type of event you may wish to organise.

Rhypark's particular charm lends a special ambience to every event. Situated right on the river Rhein, Rhypark is able to respond to the most sophisticated needs, whether they be corporate events, seminars, workshops or weddings. The multi-faceted infrastructure, which consists of the RhySaal, the r-garden with bar, a restaurant with a spacious terrace and two meeting rooms (RhyBlick and RhyHafe), offers a variety of possibilities.

In addition, with its in-house catering, Rhypark is in a position also to spoil clients' culinary tastes at off-site locations.

Our team is looking forward to putting your wishes for any festivity into reality. Below, you will find information for the event location Rhypark.

Please do not hesitate to contact us by phone or e-mail, if you have any queries or require information. To obtain a quote, please go to our website on www.rhypark.com, where you can fill in a form.

RhySaal

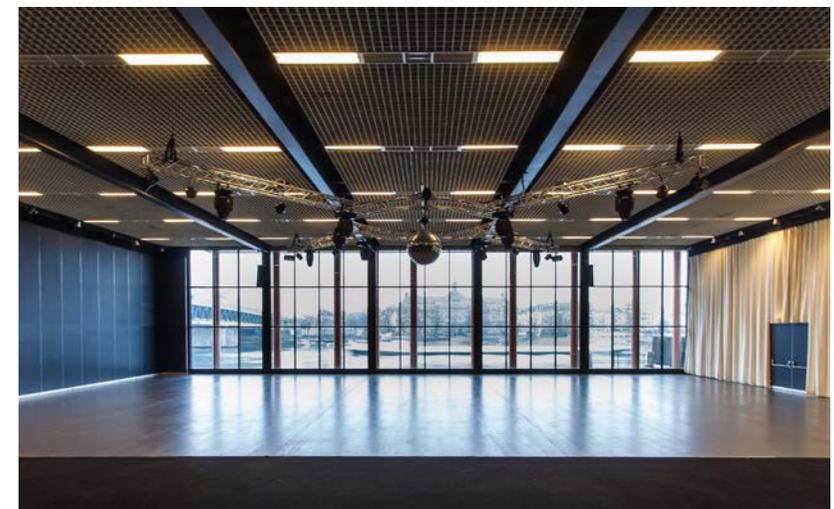

The RhySaal is the largest event room in the RhyPark complex. This room offers two possible décors: on the one hand, there is the industrial urban look in black and on the other, there is the festive look with white curtains.

The windows, which go right up to the ceiling, afford a good view of the sea of lights on the opposite side of the river bank and contributes a great deal to the special atmosphere of the RhySaal.

Because of the generously sized podium and the professional technical equipment with regards to light and sound, this room lends itself to the most diverse events and gets booked mainly for concerts, any type of corporate events and weddings.

Foyer

The Foyer serves as the entrance area of the RhySaal and stretches over two floors - the basement (GF) and the more roomy upper floor and are connected by a wide staircase. The Foyer Terrace and a large cloak room on the upper floor make the entrance area complete.

In the basement, there is direct access to the RhySaal and the forecourt of the Terrace-Restaurant. Furthermore, with the help of wall panels, the lower Foyer can be made into an additional meeting room.

RhyBlick

The RhyBlick is situated on the upper floor of the building and, due to its separate entrance, its own toilet facilities and the extensive terrace, provides exclusive accommodation, which can be separated from the rest of RhyPark.

Windows which go right down to the floor, provide a breathtaking view of the bend of the River Rhein, as well as the old part of the town with Basel's Minster. This makes the RhyBlick suitable not only for undisturbed meetings, workshops and seminars, but also serves as a unique location for private events, such as weddings, birthday celebrations, cocktail parties and BBQs.

RhyHafe

In terms of space, RhyHafe is right next to the Restaurant and, through mobile wall panels, can be opened up to the Restaurant.

Due to its large window frontage, with a view of the River Rhein flowing past, this room is extremely light and optically pleasant. Apart from that, RhyHafe is attractive because of its functional set-up, which is optimal for meetings, seminars and workshops, but also for private events of smaller groups.

Restaurant (Inside)

The interior of the Restaurant attracts people through its inviting industrial vintage look and, through its warm lighting, ensures a pleasant and romantic ambience.

Window frontage almost all the way round offers guests an enchanting view of Basel, and the integral lounge area invites people to linger. By combining the Restaurant with RhyHafe, the area can be extended considerably.

With the flexibility of being able to change things round, the Restaurant can be used for any private events, whether they be weddings, birthday parties or Christmas meals, as well as business dinners/events for smaller groups.

Restaurant (Outside)

With its position right on the bank of the River Rhein and its picturesque view of the Old Town and the Basel Minster, the extensive Terrace invites guests to the exterior of the Restaurant for gatherings full of atmosphere, especially during the warmer months of the year.

It provides a unique, almost maritime, atmosphere, which is complemented by the access to the r-garden and the „Ueli“-ferry on the river, all providing a relaxing holiday mood in an otherwise hectic life.

As there is partial cover, our guests can even use the exterior during light rainfall.

r-garden

The new project, r-garden, adds an innovative exterior area to the Rhy park. The generous lounge invites friends of the „green outdoors“ to enjoy balmy summer nights with refreshing cocktails, small snacks and music.

Your garden on the bank of the River Rhein with its cozy atmosphere, is particularly suitable for wedding apéros, as well as for ending the day with friends and after-work drinks. If you are planning any special events, you are welcome to hire the r-garden exclusively for a drinks party or a BBQ, which will enable you to enjoy the unique ambience in private.
