

## Information about the 'Aerospace Bremen' guided tour

Dear Traveller,

Your tour includes entry to the visitor centre at Airbus Bremen. High security requirements are in place at the Airbus facility, so please be aware of the following:

- 1) Every guest must be able to produce a valid **passport or photographic ID**. Please carry one of these with you.
- 2) The registered **number of visitors** is final. Additional visitors cannot be accepted on the day.
- 3) The work undertaken at Airbus requires intense concentration, especially in the development department, and visitor groups must not cause disruption. Please **act accordingly** and always follow the instructions given by your tour guide and security staff. **Photography is strictly prohibited**.
- 4) If you are travelling to the Airbus facility in a private coach, your **driver** must also join the tour for security reasons. The chartered elevation is max. 4.00m.
- 5) Bremer Touristik-Zentrale can make changes to your booking at a fee of € 20 per change up to 14 days before the scheduled tour date. Unfortunately, bookings cannot be **amended or cancelled** after this time. A cancellation fee of 100 per cent applies.
- 6) **Children** under 10 years old are not permitted anywhere on the facility for insurance reasons. Children aged between 10 and 13 are permitted only when accompanied by one adult to every child.
- 7) Guided tours may have to be **cancelled** for operational reasons. In such unavoidable situations, we will make every effort to offer alternative arrangements. This does not give rise to any entitlement to a refund.
- 8) Participants from **non- EU countries** may require a special permit. Please ensure that you are aware of all requirements beforehand.
- 9) There is a **ban on alcohol** on the premises. Drunk persons can be excluded from the tour.

We wish you a pleasant journey and a memorable stay.

Kind regards
